- Any level of fraud or corruption in or against Goody Demolition Ltd will not be tolerated;
- Every attempt will be made to deter and prevent fraud;
- Opportunities for fraud and corruption will be reduced to the lowest possible level of risk;

Where relevant Goody Demolition Ltd will include appropriate clauses in its contracts about the consequences of fraud, bribery and corruption; evidence of such acts is likely to lead to a termination of the particular contract and may lead to prosecution.

## What is Fraud?

There are a number of criminal offences that relate to what might commonly be termed as “fraud” that are covered by the Theft Act 1968. However, the Fraud Act 2006 created a new general offence of fraud with three possible ways of committing it.

- Fraud by false representation, i.e. if an individual dishonestly makes a false representation and intends by making the representation to make gain for himself or another, or to cause loss to another or expose another to risk of loss;
- Fraud by failing to disclose information, i.e. if an individual dishonestly fails to disclose to another person information which he is under a legal duty to disclose and intends, by means of abuse of that position, to make a gain for himself or another, or to cause loss to another or expose another to risk of loss; and
- Fraud by abuse of position, i.e. if an individual occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, and he dishonestly abuses that position, and intends, by means of the abuse of that position, to make a gain for himself or another, or to cause loss to another or expose another to a risk of loss.

## Avenues for Reporting Fraud

Goody Demolition Ltd has in place avenues for reporting suspicions of fraud. Staff should report such suspicions to the Fraud Liaison Officer or other nominated person responsible for managing the risk of fraud within Goody Demolition Ltd

All matters will be dealt with in confidence and in strict accordance with the terms of the Public Interest Disclosure Act 1998. This statute protects the legitimate personal interests of staff. Vigorous and prompt investigations will be carried out into all cases of actual or suspected fraud discovered or reported.

### **Fraud Response Plan**

Goody Demolition Ltd has a Fraud Response Plan that sets out, for example, how to report suspicions of fraud, how the fraud will be investigated and by whom, what experts to contact for advice. The Plan forms part of Goody Demolition Ltd's anti-fraud policy.

## MODEL FRAUD RESPONSE PLAN

### Purpose

The purpose of this plan is to provide guidance on the action to be taken when a fraud is suspected or discovered. It covers among other things, to whom the fraud will be reported, responsibilities for actions, who will investigate the incident and how employees under suspicion will be dealt with. The use of the plan may enable the governing body within the organisation (hereafter called – Goody Demolition Ltd) to:

- Prevent further loss;
- Establish and secure evidence necessary for criminal and disciplinary action;
- Notify the relevant authority, funding body and/or police;
- Establish circumstances in which external specialists will be involved;
- Minimise and recover losses;
- Punish the culprits;
- Review the reasons for the incident, the measures taken to prevent a recurrence, and any action needed to strengthen future responses to fraud; and
- Keep all personnel with a need to know suitably informed about the incident and Goody Demolition Ltd's response.

### Initiating Action

#### Detection

Suspicion of fraud or irregularity may be captured through a number of means, including the following:

- Supervision and checking outputs;
- Random spot checks by managers;
- Operation of proper management and control procedures;
- A complete and secure audit trail; and
- Suspicions of fraud reported by staff (it is important that staff know that any reported fraud will be acted upon and that protection against victimisation or dismissal is provided to them under the public interest disclosure act 1998).

#### Action to be taken

- a) All actual or suspected incidents of fraud will be reported without delay to the **Fraud Liaison Officer or other nominated person** responsible for managing the risk of fraud within Goody Demolition Ltd.
- b) Goody Demolition Ltd will immediately take steps to identify if the actual or suspected fraud involves public funding or is restricted to the organisation own funds.
- c) Where the fraud may involve public funding Goody Demolition Ltd will immediately contact the **relevant funding body** for guidance on what action needs to be taken by Goody Demolition Ltd.
- d) If the fraud involves Goody Demolition Ltd's own private funding, then the Police should be notified immediately. In such instances the Police will be responsible for taking forward any investigation and providing advice in respect of any preliminary enquiry to be undertaken.

## Prevention of further loss

- a) Where initial enquiries provide reasonable grounds for suspecting a member or members of staff of fraud, Goody Demolition Ltd will decide how to prevent further loss. This may require the suspension, with or without pay of the suspect(s); it may be necessary to plan the timing of suspension to prevent the suspect(s) from destroying or removing evidence that may be needed to support disciplinary or criminal action. **Regard should be paid to guidance below in relation to disciplinary action.**
- b) In these circumstances, the suspect(s) will be approached unannounced. They will be supervised at all times before leaving the premises. They will be allowed to collect personal property under supervision, but will not be able to remove any property belonging to Goody Demolition Ltd. Any security passes and keys to premises, offices and furniture will be returned.
- c) Goody Demolition Ltd will consider the best means of denying access to its premises/property while the suspect(s) remain suspended (for example by changing locks and informing staff not to admit the individual(s) to any part of the premises). Similarly, access permissions to all computer systems will be withdrawn.

## Establishing and securing evidence

Following an allegation or the report of a suspicion of fraud, information to determine whether fraud is a possibility will initially be obtained by Goody Demolition Ltd:

Discreet enquiries –

- Goody Demolition Ltd must follow up any such suspicions or allegations; this may involve enquiries with for example members of the management committee, employees and volunteers. These will be carried out in such a way as to ensure that innocent individuals are not harmed by false accusations; and in the event of a fraud having been committed to avoid alerting the perpetrators.

Review of documents/records –

- Security of records - once a suspected fraud is reported, steps will be taken immediately to prevent the theft, alteration, or destruction of relevant records. Such actions may include, but are not necessarily limited to, removing the records and placing them in a secure location, limiting access to the location(s) where the records currently exist, and preventing the individual(s) suspected of committing the fraud from having access to the records. The records must be adequately secured until the relevant investigation unit or the Police obtain the records to begin an investigation.

The funding body or the Police may consider whether it is necessary to investigate systems other than that which has given rise to suspicion, to determine the extent of any fraudulent activity

At an early stage it may be useful to seek guidance from either the funding body or the Police, on how to proceed and to ensure that evidence requirements will be met during any fraud investigation.

## **Recovery of losses**

Where Goody Demolition Ltd has suffered a loss, efforts will be made to recover that loss. In some circumstances this may involve a civil action and it will probably be necessary to seek legal advice. If the loss may be covered by insurance, then the appointed brokers will be advised at the earliest opportunity.

The funding body or the Police should be able to advise on options available.

## **Other Issues**

### Disciplinary action

The application of disciplinary procedures is solely a matter for Goody Demolition Ltd. Advice shall however be obtained, either from the funding body or the Police, on whether or not such action could impede or interfere with a potential criminal investigation.

All disciplinary action will be conducted in line with relevant employment legislation and recognised codes of practice.

### Review of Fraud Response Plan

The Fraud Response Plan will be reviewed annually or following an incident of fraud, to ensure that it reflects changes, which may be necessary to strengthen future responses to fraud. Changes to the Fraud Response Plan will be the responsibility of Goody Demolition Ltd.
